Dear Parents/Carers,

Adult Code of Conduct

At Elm Wood school, we are committed to creating a safe, respectful and inclusive environment for pupils, staff, families and all our school community.

Last term we worked to review our adult behaviour policy. Please find attached our updated adult code of conduct for all parents and visitors to the school. This is written to sit alongside the staff code of conduct and the behaviour policy for pupils. These documents set out clear expectations and guidelines for all members of our school community in their interactions with the school and with other members of the school community, both in person and online through the use of social media.

In order to achieve a safe, respectful and inclusive environment for all, it is the responsibility of every member of the school community to ensure these expectations are upheld, both in person and online. We know that as families you are committed to achieving the best possible educational experience for your child(ren) as well as their class and school colleagues and share our aims. However, where these expectations as outlined in the Adult Code of Conduct are not upheld, appropriate action will be taken.

We kindly request that you read the Adult Code of Conduct. It can also be found on the website: ghf.london/policies

Thank you for your continued support.

Best wishes,

Mrs Charles
